

StudentApp

<http://localhost:8080/> Open the url in the browser

The screenshot shows the 'Student App' interface in a web browser. The top navigation bar includes 'Home', 'Add Student', and 'View Students'. The main content area features a form titled 'Add Student here!' with input fields for 'Student Name', 'Student Class', 'Student RollNo', 'Student Gender', and 'Student Dob', followed by an 'Add' button. Below the form is a table titled 'All Student Data' with columns: Id, Student Name, Student Class, Student RollNo, Student Gender, Student Dob, and Action.

Id	Student Name	Student Class	Student RollNo	Student Gender	Student Dob	Action
----	--------------	---------------	----------------	----------------	-------------	--------

Add Student Details in the form and click Add

The screenshot shows the 'Student App' interface with the 'Add Student here!' form filled with the following details: Student Name: Venna Archana, Student Class: 10, Student RollNo: 454, Student Gender: Girl, Student Dob: 24-05-2001. The 'Add' button is visible. Below the form, the 'All Student Data' table now contains one entry.

Id	Student Name	Student Class	Student RollNo	Student Gender	Student Dob	Action
1	Venna Archana	10	454	Girl	24-05-2001	 

Student Crud Application

localhost:8080

Add Student here!

Student Name:

Student Class:

Student RollNo:

Student Gender:

Student Dob:

All Student Data

Id	Student Name	Student Class	Student RollNo	Student Gender	Student Dob	Action
1	Venna Archana	10	401	Female	24-05-2001	<input type="button" value="Edit"/> <input type="button" value="Delete"/>
2	Abhiram	12	405	Male	9-4-2002	<input type="button" value="Edit"/> <input type="button" value="Delete"/>

To Update the list click on update Icon ->

Edit StudentData

localhost:8080/edit/1

Student App Home Add Student View Students

Edit Student here!

Student Name:-

Student Class:-

Student RollNo:-

Student Gender:-

Student Dob:-

After Updating the data click on Update

So the list be as follows

Student Crud Application

localhost:8080

Add Student here!

Student Name:

Student Class:

Student RollNo:

Student Gender:

Student Dob:

All Student Data

Id	Student Name	Student Class	Student RollNo	Student Gender	Student Dob	Action
1	Venna Archana	11	401	Female	24-05-2001	<input type="button" value="Edit"/> <input type="button" value="Delete"/>
2	Abhiram	12	405	Male	9-4-2002	<input type="button" value="Edit"/> <input type="button" value="Delete"/>

To Delete the data from the list click on delete icon ->

So the list be as follows

The screenshot shows a web browser window with the address bar at localhost:8080. The application has a blue header with 'Student App' and navigation links: Home, Add Student, and View Students. The main content area is light blue and contains a white form titled 'Add Student here!'. The form has input fields for Student Name, Student Class, Student RollNo, Student Gender, and Student Dob, followed by a green 'Add' button. Below the form is a section titled 'All Student Data' containing a table with one student record. The table has columns for Id, Student Name, Student Class, Student RollNo, Student Gender, Student Dob, and Action. The Action column for the first student contains a blue edit icon and a red delete icon.

Id	Student Name	Student Class	Student RollNo	Student Gender	Student Dob	Action
1	Venna Archana	11	401	Female	24-05-2001
